

# Support Your Local School

CASH

SCHOOLS

Local Essex based company The Ink Team Ltd can supply your Ink, Toner and Franking machine cartridges and will donate **2.5%** of the order value to your nominated school.

The cash reward will apply to both Compatible and Original cartridges!

You will also save **10%** on *your* order of Compatible Cartridges by using Discount Code **ESSEX**

## SAVE while you are Spending!

Could this be the perfect recipe in these times  
of Education cut backs?

We are all too aware of the potential Government cutbacks looming and The Ink Team would like to do whatever we can to help alleviate some of the pain with our **CASH 4 SCHOOLS CAMPAIGN.**

The Ink Team have contacted all the schools in Essex by letter with an invitation to enrol their school on our program. We have listened to your feedback as you did not want to administer your scheme BUT did want a simple easy to manage opportunity to benefit your school directly with Ink and Toner cartridges etc that they need.

In essence **EVERY INK OR TONER CARTRIDGE** you buy will allocate points to your school by using our Voucher Code **ESSEX** and nominating your chosen school on our checkout page.

**EVERY** Local Business and Parent who wants to donate the value of points earned on their purchases can do so also by using the same Voucher Code **ESSEX** and nominating a school of their choice.

The points due will be accumulated by us and you can receive a notice either monthly/quarterly to suit of the value of the points accumulated. These can then be used directly to buy much needed educational supplies from us for **FREE** effectively.

If you have a school website why not put a link on the site to the Ink Team to remind parents how easy it would be to help their child's school and save themselves some money into the bargain? (Please contact us to arrange this.)
